

Student House Zamocka

We offer accommodation **for students (women only)** in newly furnished spaces at Zámocká 36 in Bratislava. This newly renovated accommodation facility, located in the city center on a quiet street yet within easy reach of city life, schools, and public transport, features 20 rooms with 48 beds on the second floor with elevator access. Everything—furniture, kitchens, bathrooms, flooring, tiling, lighting, and blinds—is brand new.

The rooms are available as single, double, and triple occupancy. Each room is equipped with high-quality mattresses, a desk, a chair, a wardrobe, a wall shelf for each person, and a mirror. The 729 m² facility includes two kitchens with refrigerators, stovetops, and seating for 24 people, a kitchenette, two rooms suitable for study or relaxation, 13 toilets, 9 showers, 20 sinks, and a washing machine. One of the rooms has a private toilet, shower, and sink. The common areas and hallways are spacious and well-lit with natural daylight.

The entire building has high-speed fiber-optic Wi-Fi from UPC. Thanks to the thick insulated walls, the building maintains a pleasant climate year-round, with heating and air conditioning provided by a fan coil system.

Location:

The building has an excellent location, just a 2-minute walk from the historic city center. Four parking spaces are available for rent in the underground garage beneath the Ibis Hotel, with elevator access to the residential floor. Public transport stops (Zochova, Kapucínska) are just a few meters away. The area is filled with cafes, restaurants, bistros, and shops, providing an active city lifestyle, while Zámocká Street itself remains peaceful and quiet.
